

How to Send Fax to Email on Cloudcalling

Article Number: 165 | Rating: Unrated | Last Updated: Wed, Jul 5, 2017 at 4:22 PM

To send a fax via email on the Cloudcalling system:

1. Send an email to fax@cloudcalling.co.uk. Make sure the sending address is one logged in the Cloudcalling extension;
2. Put the receiving fax's phone number in the subject line or message body;
3. Attach the document to send as a PDF;
4. Send.

The client will receive an email confirming the document has been accepted, there will be a *Click Here* button/link to confirm that the fax should be sent.
